

School-Based Nursery Consultation - Coppull Parish Church School

Dear community member,

Coppull Parish Church School is exploring the possibility of opening a **school-based nursery** to support families in our local community. Before making any decisions, it is important that we understand whether there is genuine **demand for nursery places** and what type of provision would best meet the needs of our families.

To help us gather this information, we are asking all parents/carers and community members to complete a short **Nursery Consultation Survey**. The survey should take **no more than a few minutes to complete**, and your responses will play a vital role in shaping our next steps.

We are particularly keen to understand:

- Whether families would use a school-based nursery
- The age ranges of children who may need a place
- What type of hours or sessions would be most helpful
- Any barriers that families currently face when accessing childcare

All feedback - whether you currently need childcare or not - is extremely valuable.

If you prefer a paper copy or need support completing the survey, please contact the school office and we will be happy to help.

Please complete the survey by: Friday 5th December

(or scan the QR code below)

Thank you in advance for taking the time to share your views. Working together, we can ensure we make the best decisions for our children, our families, and our wider school community.

Yours faithfully,
Coppull Parish Church School
