

Class & Project Title

Please state which of these whole school aims your project links to then delete as appropriate.

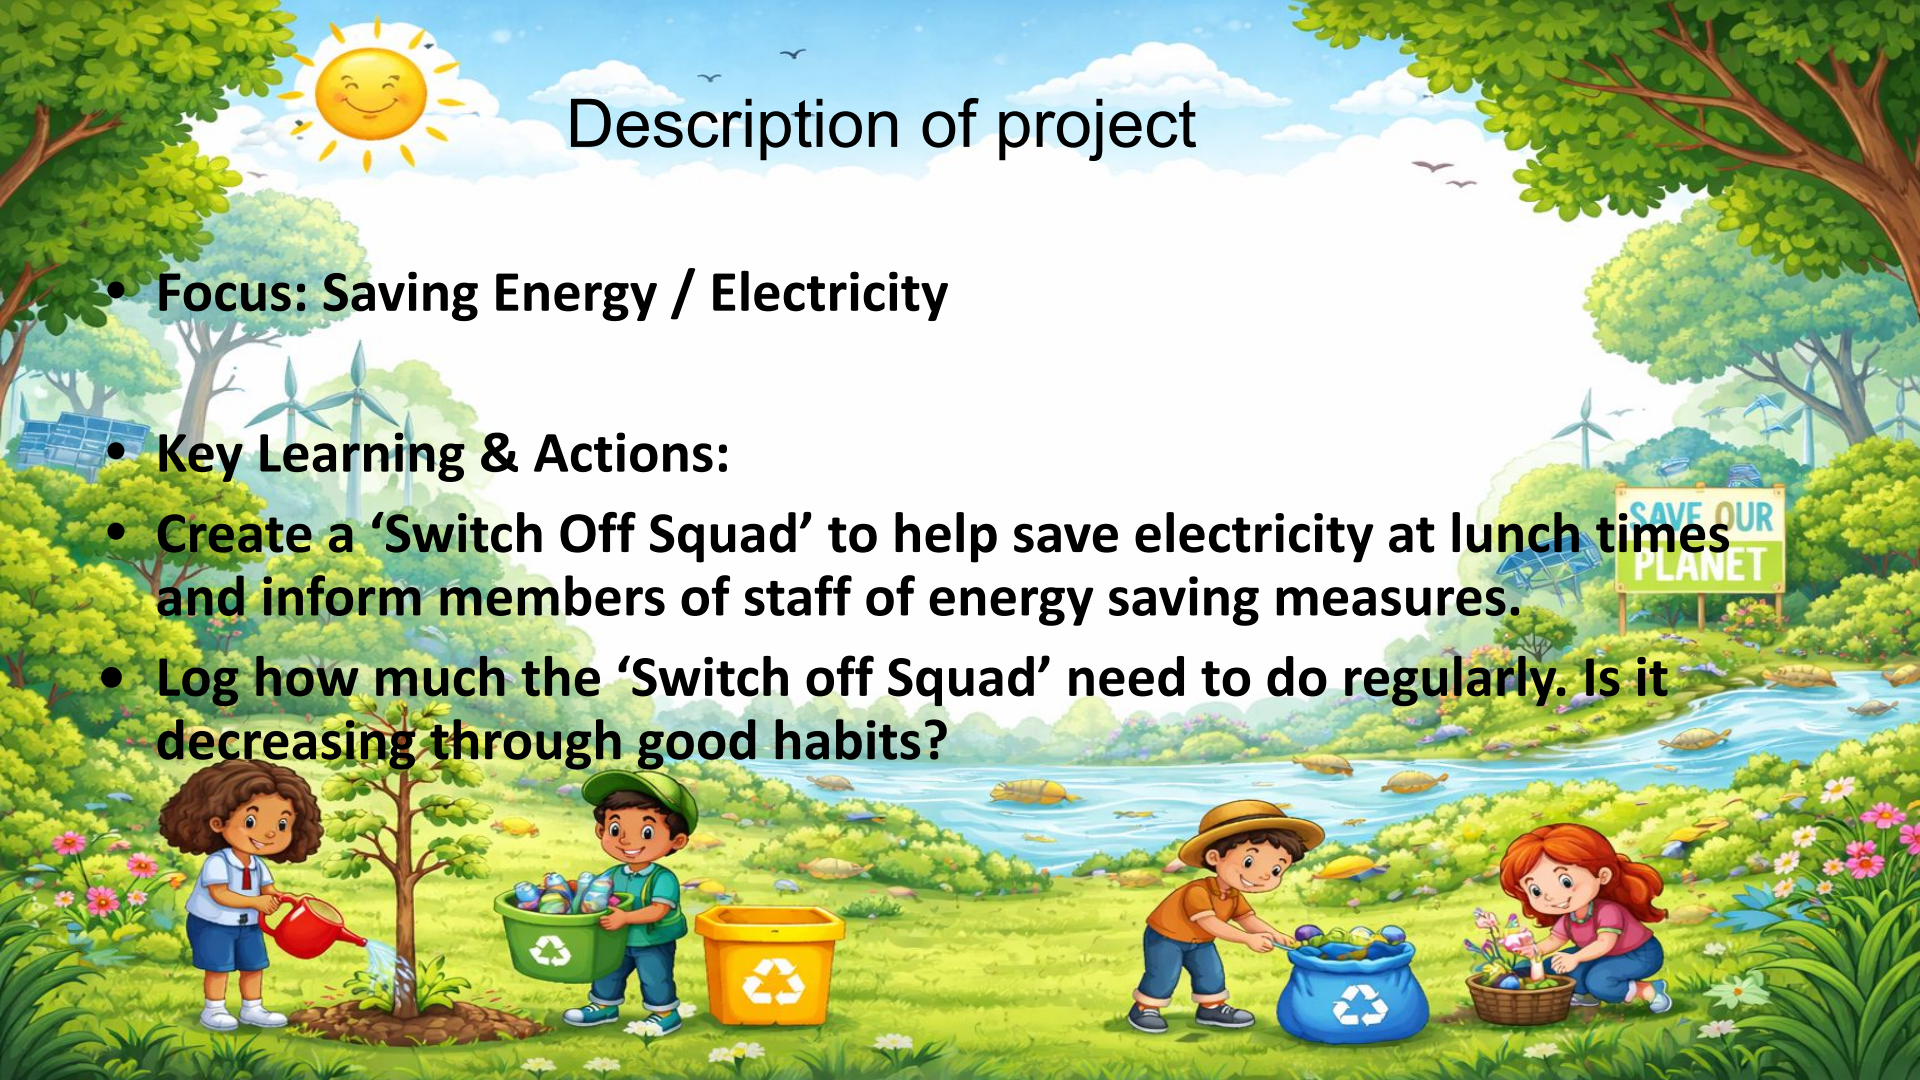

This project will ...

1. Develop children's understanding of global environmental issues at an age-appropriate level.
2. Empower pupils to take meaningful action within their school and local community.
3. Reduce the school's environmental footprint across energy, waste, and resource use.
4. Celebrate progress through Eco-School activities, pupil-led assemblies, and community sharing.

SAVE OUR
PLANET

Description of project

- **Focus: Saving Energy / Electricity**
- **Key Learning & Actions:**
 - **Create a 'Switch Off Squad' to help save electricity at lunch times and inform members of staff of energy saving measures.**
 - **Log how much the 'Switch off Squad' need to do regularly. Is it decreasing through good habits?**

Number of lights or electrical appliances that needed switching off at lunch time.

■

	Day 1	Day 2	Day 3	Day 4	Day 5
Lights	15	11	9	7	8
Appliances	12	10	9	10	9

Impact

The Switch off Squad have said that teachers and staff are already showing signs of being more conscious about the power they are leaving on. Already, there are less things that need switching off although the children still think we can do better as a school.
